Professional Summary

I am an enthusiastic and self-motivated aspiring full-stack web developer with a solid foundation in HTML, CSS, and JavaScript. Currently, I'm focused on learning React and back-end technologies to transition into full-stack development. I'm passionate about crafting clean, responsive user interfaces and continuously improving my skills.

Education

The Technological Institute Of Textile and sciences	October 2022 – June 2026
Bachelor of Technology (B.Tech) in Computer Science GPA : 8.9/10.0	
Government Girls Senior Secondary School,Rewari	March 2021 – June 2022
12th class Non-Medical Percentage: 89.6%	
Government Girls Senior Secondary School,Bhiwani	March 2019 – June 2020
10th class Percentage: 95.6%	

Experience

Full Stack Developer Intern BIZ INFOTECHNO PVT.LTD, Chandigarh	Aug 2025 – Present
<ul style="list-style-type: none">◦ Developing responsive front-end components using HTML, CSS, JavaScript, and React.◦ Implemented RESTful APIs for data handling and integrated them with front-end components.◦ Utilized React Hooks and functional components to build dynamic and reusable UI elements.
